

4-Rivers Cub Scout Day Camp 2017

bug hunters

Dear Cub Scout Day Camp Family,

Thank you for registering for this year's Cub Scout Day Camp session. This letter is to remind Day Camp families of some important information and dates regarding day camp.

Den Leaders: Den Leader responsibilities include escorting their assigned Den to the different Program activities all around camp, supporting team building within the Den, encouraging individuals to do their best and to respect each other, and providing positive redirection/discipline (when necessary).

Staff Members: Staff responsibilities include carrying out the program area assigned to them, preparing an initial and final inventory of the materials needed/utilized within their station, preparing for each period's activity, promoting a positive and instructive atmosphere for the Scouts at their station and guiding/supervising the Camp Aides assigned to their station.

3-Day Adult Volunteers: 3-Day Adult Volunteers responsibilities include assisting at either a den assignment or station assignment determined by the Camp Director. Uses the materials and information provided to assist in delivering a high quality program. Assignment may change for each day.

All Camp Staff, Den Leaders & 3-day Adult Volunteers are required to attend a Camp Leader training session prior to Camp (dates are indicated on application). In addition, each adult must also have taken a Youth Protection training course. Anyone preferring to work as a Staff member on the Archery & BB's ranges will need additional training and should contact the Camp Director. Please be aware that any applications received to the registrar that are incomplete will not be processed. It is very hard to "chase down" missing information, so we have come to the agreement to enforce this rule. Den Leaders, Staff and 3-Day Adult Volunteers do not need a transportation form, but please remember to submit your application, **3-page** health form and required up-to-date Youth Protection certification (Youth Protection Training is available online at my.scouting.org).

All families attending camp are required to attend one of the Orientation Dates the weekend before camp. You need only attend one of these days. This allows families to see the facility, go over the rules and regulations regarding camp, and pick up their camp t-shirts and den assignments.

We also ask that parents assist in either Camp Set-Up or Camp Tear-Down. Many hands make for light work in the construction and break down of camp. You need only attend one of the options.

Camp Set-Up and Orientation Dates:

- Saturday, June 17th or Sunday, June 18th @ A.A.Co. Fairgrounds
 - o Set-Up starting @ 10am, Orientation @ 2pm

Refund requests will be at the discretion of the Camp Director & District Executive.

I look forward to meeting you, and I can't wait for camp to start!! 😊 If you have any questions or concerns, please do not hesitate to contact me. Please check the day camp website routinely for updates.

Yours in Scouting,

Jennifer Martin

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. However, so that leaders can be as familiar as possible with any limitations, list any restrictions imposed on a child participant in connection with programs or activities below.

List participant restrictions, if any: None

I understand that, if any information I/we have provided is found to be inaccurate, it may limit and/or eliminate the opportunity for participation in any event or activity. If I am participating at Philmont, Philmont Training Center, Northern Tier, Florida Sea Base, or the Summit Bechtel Reserve, I have also read and understand the supplemental risk advisories, including height and weight requirements and restrictions, and understand that the participant will not be allowed to participate in applicable high-adventure programs if those requirements are not met. The participant has permission to engage in all high-adventure activities described, except as specifically noted by me or the health-care provider. If the participant is under the age of 18, a parent or guardian's signature is required.
