

4-Rivers Cub Scout Day Camp 2017

bug hunters

Dear Cub Scout Day Camp Family,

Thank you for registering for this year's Cub Scout Day Camp session. This letter is to remind Day Camp families of some important information and dates regarding day camp.

Kids Korner: The Camp "Kids Korner" provides a Day Camp experience for young children of Staff members, Den Leaders, 3-day Adult Volunteers and 1-day parent volunteers. Activities are already being planned for these children. In order for a child to attend the Kids Korner, a parent **MUST** be in Camp while they attend. (No exceptions. We do not provide day care for Scout siblings.) In addition, each attendee must be toilet trained.

Girls Camp Experience: This year we are again pleased to offer an opportunity for older girls to participate more fully in our Camp activities, in our Girls Camp Experience program. Girls may travel to the scout stations, just as their Cub Scout brothers do. In order for a girl to participate, a parent **MUST** be in Camp while they attend. (No exceptions. We do not provide day care for Scout siblings.) Girls must be at least 7 years of age. (Younger siblings will be assigned to the "Kids Korner" referenced above).

Tiger Program: Our Camp has developed an exciting program for incoming Tiger Cubs in order to introduce them to the fun of both Cub Scout Day Camp and Scouting. Tigers are invited to attend two days of program of Camp activities on Thursday and Friday. Please note that the Tiger program includes an adult partner and any incoming Tiger who registers for Camp needs to have an adult partner accompany them for each day. (Adults are required to be at least 21 years of age.) Incoming Tigers must also complete a BSA Cub Scout registration form. Contact your local Pack or call Baltimore Area Council Headquarters (443) 573-2537.

Please be aware that any applications received to the registrar that are incomplete will not be processed. It is very hard to "chase down" missing information, so we have come to the agreement to enforce this rule. Each attendee is required to have the correct application, health form (**3 pages**, with picture attached), transportation form, and parent/guardian signatures on each form.

Please remember that each Cub Scout is required to have an adult come to camp for the "one day required requested day." One-day parents are who we depend on to help fulfill the 2-deep leadership for the den every day of the week. The person who comes as a one-day does not have to be the parent/guardian. We routinely have grandparents, older siblings, cousins, babysitters, etc. As long as they are over 18, approved by the parent/guardian and can walk around in the sun, they are OK. One-day parents are required to bring lunch on the day they attend camp.

All families attending camp are required to attend one of the Orientation Dates the weekend before camp. You need only attend one of these days. This allows families to see the facility, go over the rules and regulations regarding camp, and pick up their camp t-shirts and den assignments.

Refund requests will be at the discretion of the Camp Director & District Executive

I look forward to meeting you, and I can't wait for camp to start!! 😊 If you have any questions or concerns, please do not hesitate to contact me. Please check the day camp website routinely for updates.

Yours in Scouting,

Jennifer Martin

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I also hereby assign and grant to the local council and the Boy Scouts of America, as well as their authorized representatives, the right and permission to use and publish the photographs/film/videotapes/electronic representations and/or sound recordings made of me or my child at all Scouting activities, and I hereby release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all liability from such use and publication. I further authorize the reproduction, sale, copyright, exhibit, broadcast, electronic storage, and/or distribution of said photographs/film/videotapes/electronic representations and/or sound recordings without limitation at the discretion of the BSA, and I specifically waive any right to any compensation I may have for any of the foregoing.

NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers. However, so that leaders can be as familiar as possible with any limitations, list any restrictions imposed on a child participant in connection with programs or activities below.

List participant restrictions, if any: None

I understand that, if any information I/we have provided is found to be inaccurate, it may limit and/or eliminate the opportunity for participation in any event or activity. If I am participating at Philmont, Philmont Training Center, Northern Tier, Florida Sea Base, or the Summit Bechtel Reserve, I have also read and understand the supplemental risk advisories, including height and weight requirements and restrictions, and understand that the participant will not be allowed to participate in applicable high-adventure programs if those requirements are not met. The participant has permission to engage in all high-adventure activities described, except as specifically noted by me or the health-care provider. If the participant is under the age of 18, a parent or guardian's signature is required.
