

We want you for 4-Rivers Cub Scout Day Camp!

Down on the Farm

June 22—26, 2020

Held at Anne Arundel County Fairgrounds in Crownsville, MD

We are continuing to expand our “Webelos Island” program for Webelos where they will be earning Activity Pins that will help them towards their Webelos Badge/Arrow of Light and give them the skills needed to be successful in the Boy Scout Program.

We also need qualified Boy Scouts to assist in the running of our Archery & BB ranges.

We have 2 Archery and 2 BB ranges, so we need your help!

You must be at least 14 years old & attend training prior to camp.

You will also be able to:

- Enjoy working with younger Cubs and help them learn more about the Scouting program
- Encourage Cubs to continue in Scouting into Boy Scouts when they bridge (then they can work as a Camp Aide like you!)
- Have fun with the younger Cubs and make new friends with other Camp Aides
- Possibly get requirements completed for a Girl Scout or Boy Scout Badge while volunteering
- **Service Hours** for school/scouts/etc.!

We welcome Boy Scouts of any age as well as older siblings!

Cost is \$20 for the week and there is no late fee! Sign up as soon as you can at <http://www.baltimorebsa.org/4rcsdc>

REMINDER:

Due to changes in National Camp Standards, lunches will no longer be offered to Camp Aides or Staff Members. Each Camp Aide and Staff Member is responsible for bringing their own lunch for the day in an appropriate lunch bag to keep cool.

You can find all the necessary answers to your questions as well as all the forms you need at our website!
